

REFUGEES ARE WELCOME HERE (A)

Part 1:

Say it loud and say it clear
Refugees are we-elcome here.
Say it loud and say it clear
So the politicians can hear.

Part 2:

Weary feet on the road
On her shoulders a heavy load.
All she loves left behind
For a future she's yet to find.

Part 3:

O-o-open the door
To the ones escaping from war
Sho-o-ow them the way
Let them enter, and let them stay

(Tune: "Save our Public Services" Congolese folk song. Words: Cynthia Cockburn, Raised Voices)
