Thanks No Thanks

Word Cynthia Cockburn, Music Mick Kahn

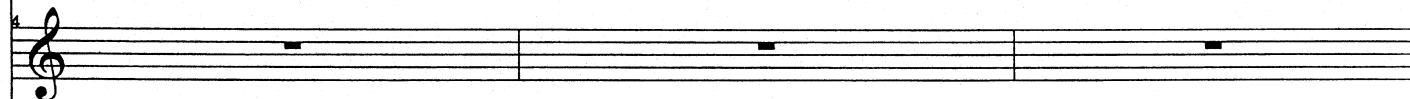

A spec - ial re - la - tion - ship With the U S A What
A "glo - bal po - li - ice - man" to Keep you safe at night From
Mo - no - pol - y ca - pit - al Spans the se - ven seas Un -

re - lat - ion - ship U S A
po - lice - man safe at night
ca - pit - al sev - en seas

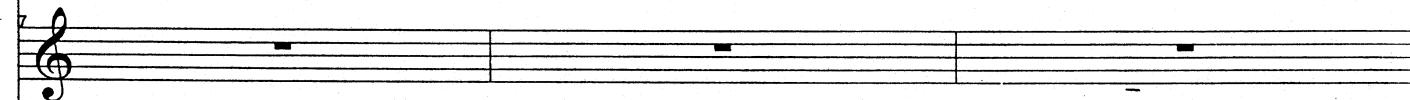

more could you want on A cold and rain - y day Than to snug - gle up there Like
things that go bump and *give you* a nas - ty fright Like - pet - rol - e - um sheiks And
Stopp - a - ble growth for the Mar - ket e - co - nom - ies The ri - ch get rich The

could you want rain - y day snug - gle up
that go bump nas - ty fright pet - rol - le - um -
stopp - able growth e - con - - om - ies - - rich - get - rich -

Bu - sh and Blair With a miss - ile to share In an e - a - sy chair All
terr - or - ist cells And comm - un - ist states And dr - ug car - tels A
po - or stay poor Im - mi gra - tion con - trol Keeps the wolf from the door And

Bush and Blair miss - ile to share Ea - sy chair
terr - or - ist comm - un - ist drug car - tels
poor stay poor gra - tion con - trol wolf from door
