

LIFE ON EARTH

They manufacture poisons
And get rich while nature dies
There's money in emissions that
Pollute the sheltering skies

*But believe us when we say
There's a greater wealth today
When a million million people
Advocate for life on earth
When a million million voices
Speak as one.*

There's knowledge in the think-tanks
That the politicians buy
Intelligence isn't what it seems
Statistics also lie

*But believe us when we say
There's a wisdom here today
When a million million people
Advocate for life on earth
When a million million voices
Speak as one.*

There's power in the nation state
There's power in the gun
And there's power in the boardrooms
Where destructive deals are done

*But believe us when we say
There's a different power today
When a million million people
Advocate for life on earth
When a million million voices
Speak as one.*
